Stan and Vicki Surbatovich have been missionaries in Montenegro for 30 years. When they arrived, they did not know of another Christian of any denomination in the entire city. Over the years, God has expanded their ministry, from one-on-one to group Bible studies to holding Lord's Day services. Today, their church is moving towards membership and healthy leadership. They are well known in the region and have many opportunities to talk about faith over coffee, trips, and Bible studies. The name of their church, **Nikšić** Christian Bible Church, is intentionally distinguished from the Eastern Orthodox church. www.ChristianityMontenegro.org/Niksic.php

Closer to the capital, **Podgorica**, another missionary family is ministering to their community through a garden established on their own property. **Jesse and Andrea McCourtney** have been in Montenegro for 15+ years with their 4 growing boys! Jesse's ministry supports other missionaries and pastors to thrive in their cross-cultural ministry. www.BastaZeta.me

Montenegro is one of the least evangelized countries in Europe and has the fewest Christians per capita in all of Europe. Currently, there are only a handful of biblical churches in the whole country and most people have never heard the true gospel.
